CALIFORNIA

What is it like? It's a place where the sun never stops shining—a place with sheltering mountains, vast deserts, white endless beaches and stately oak trees. In California, we are affected by our environment. We are unique! One can't live in the Conejo Valley without becoming a part of the California Lifestyle. People here do their own thing, whether it be surfing, partying, or just soaking up the sun.

EXPERIENCE IT

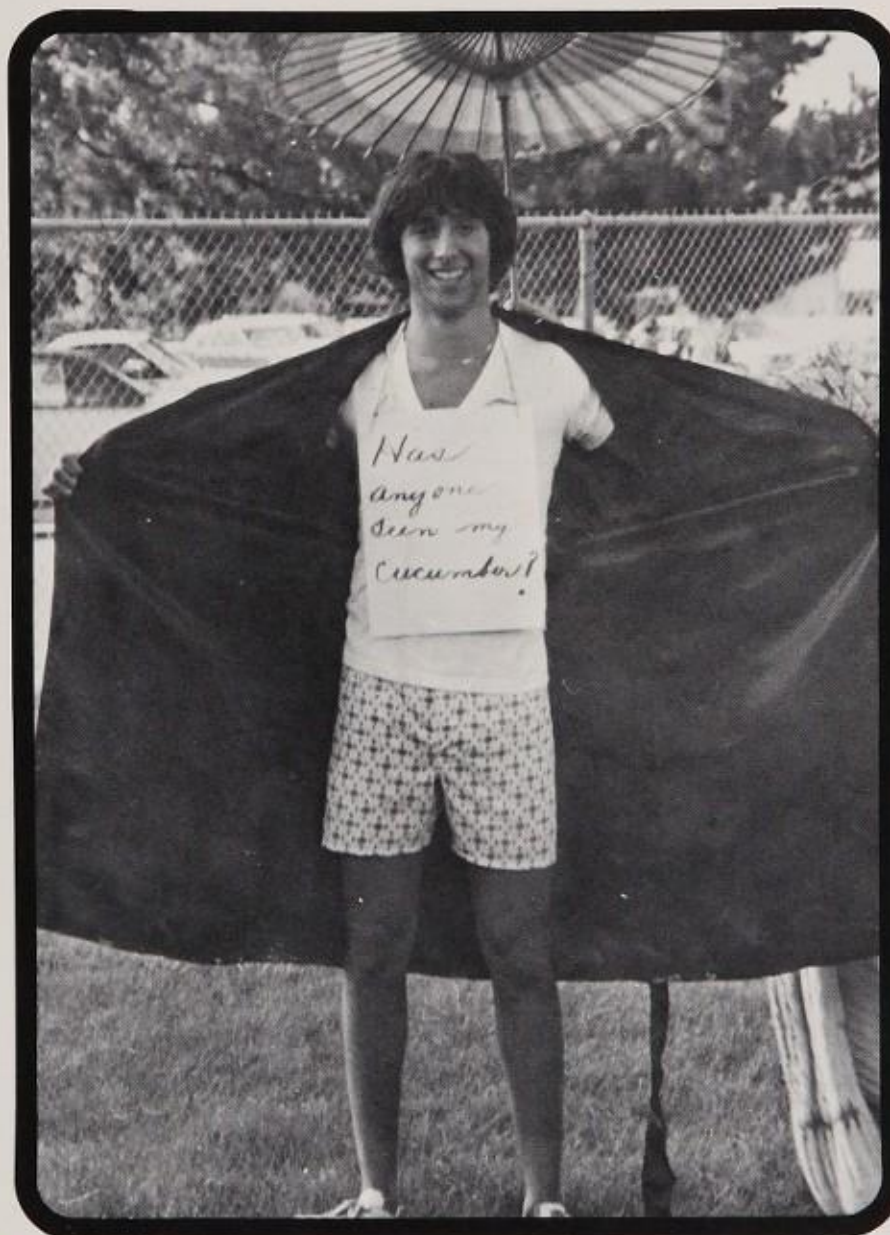

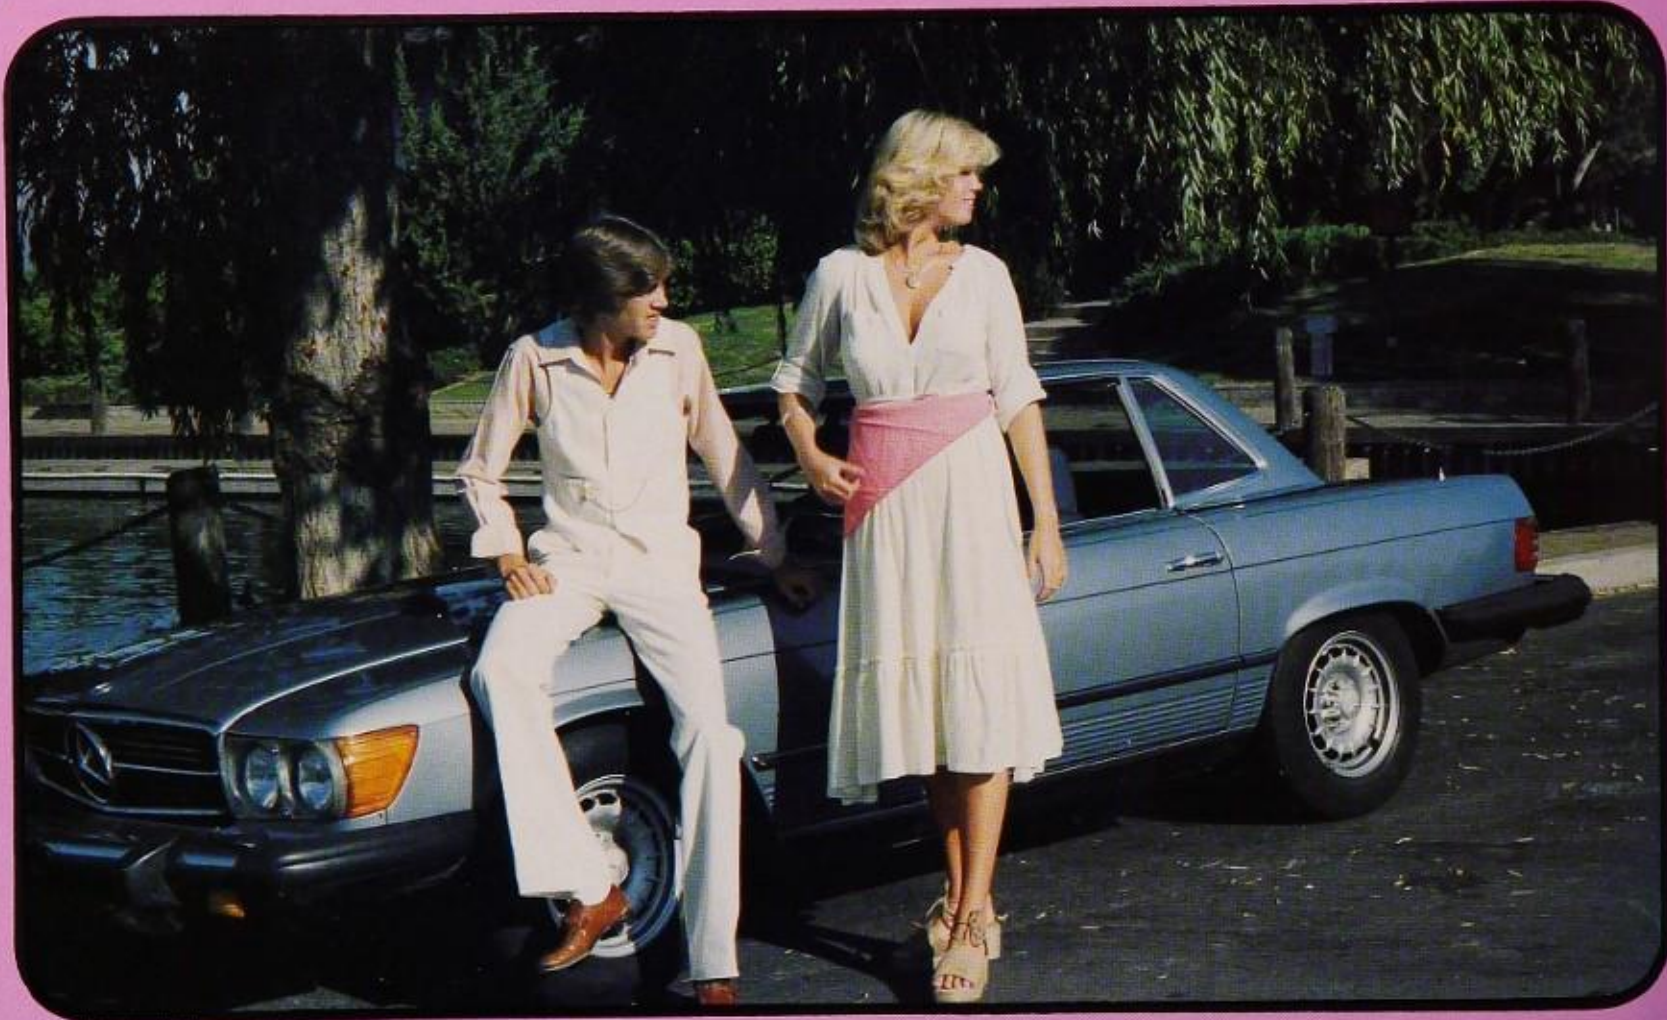

California means sunshine, outdoors, freedom—but it also stands for new ideas, political innovations and necessary quick adjustments to natural catastrophes.

We adapted to new trends in everything from fashion to activities. 'Disco' captured the hearts of many with its distinctive style, sound and flair. It gave us a new way to dress-up and step-out on Saturday nights. Affecting us also was the reduced school budget brought about by the Jarvis Bill (Proposition 13). During the fall we were concerned with the force of one of the fiercest fires in our area's recent history, and in the spring we were tormented with the threat of mudslides.

But, we would not have wished to be anywhere else, but here!

How would you like to wake up at 5:00 a.m. in the morning? Newbury Park students had to do this every day. Westlake High School had construction trouble causing a switch to double sessions during the early part of the year. The students of Newbury Park had to adjust to sharing their facilities. Though it was difficult to rise so early, getting out of school earlier made it possible for Newbury Park students to enjoy beaches and long afternoons of leisure.

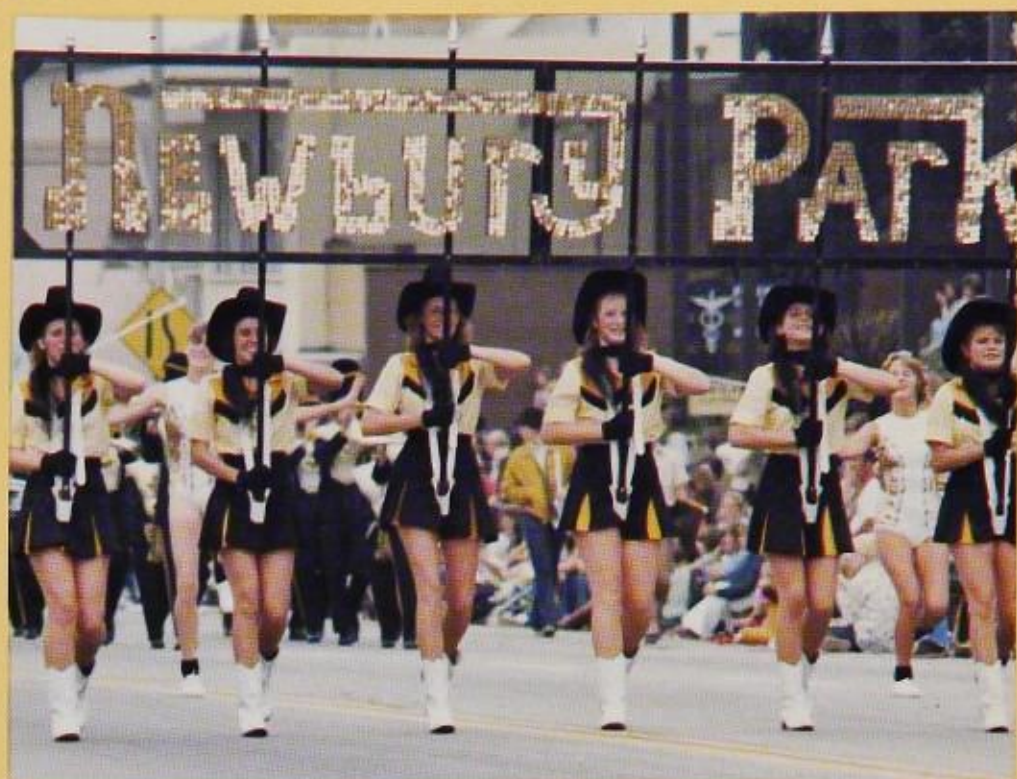

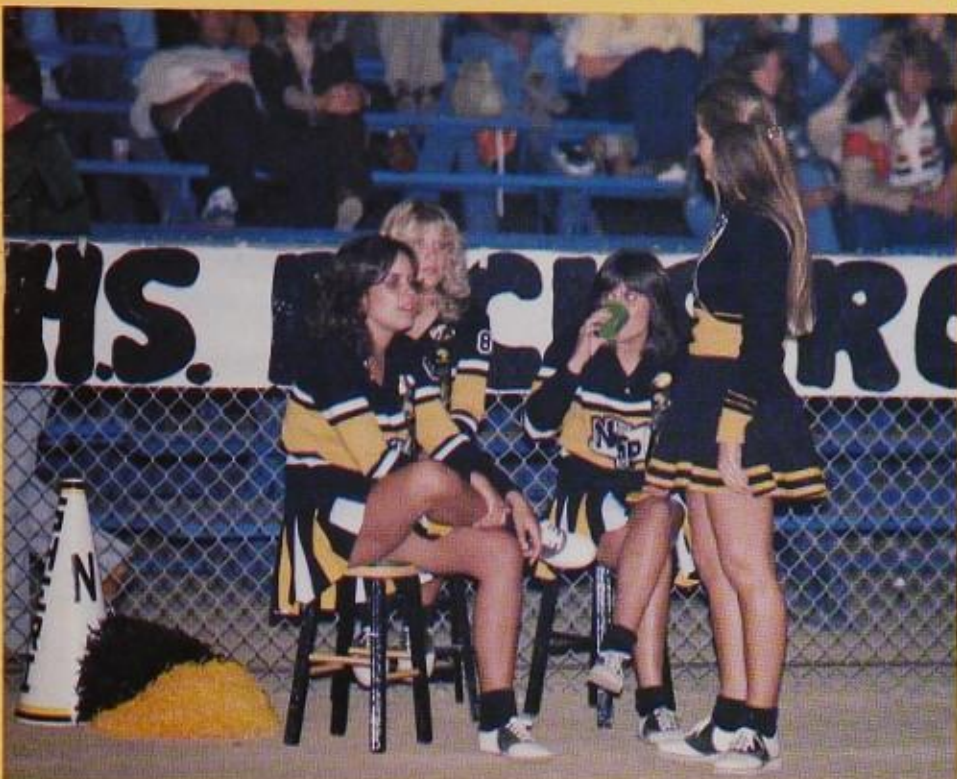

EXTROVERTS- A.S.B.

"Hi, Everybody! Come in and sit down," exclaimed Gigi Fernandez, president of A.S.B. "I have great news!" That's what was heard frequently during the school year. When the group formed for business meetings, vice president Nina Dillon and Danny Siegel were the main speakers. Anyone who interrupted probably heard "Excuse me, but I'm talking."

A.S.B. formed a new type of government this year, consisting of three branches; the executive, legislative and non-voting members. The government provided the student body with many great activities throughout the school year; some examples were the Freshmen Orientation, Welcome Dance, lunch concerts, Homecoming and even entertaining at the various assemblies. Mr. Scott, who experienced his first year as A.S.B. advisor helped the group make the decision to be "Doers" instead of "Thinkers."

ESPRIT DE CORP

The Newbury Park Pep Squad, including Cheerleaders, Songleaders, Drillteam and Band, promoted spirit throughout the year.

Lisa

We've been through alot, but... wait until next year. It will be the best of all. I know I'll see you over the summer, at the beaches & on the court. See you at the parties.

Love ya, David

On the Scene:
The Pep Squad, consisting of Cheerleaders, Song-
leaders, Mascots and an advisor, helped to create the
most spirited year ever at Newbury Park!

In the fall the squad attended all football games, water-
polo matches, x-country meets and volleyball games.
As winter moved in, basketball (both boys and girls)
wrestling, and soccer were supported. With spring
came cheers for track and baseball. Weekly, posters
that had been painted by the squad promoting games
and activities could be seen on campus.

Behind the Scene:
In Room 19 was the Pep Squad's advisor, Mr. Scott. His
persistance kept everybody working together as one.
Rick Scott spent much of his free time organizing fund
raisers for the squads' uniforms, and camp. Mr. Scott
also helped plan and coordinate activities and all the
rallies. Thank You!

HERE'S TO GOOD FRIENDS

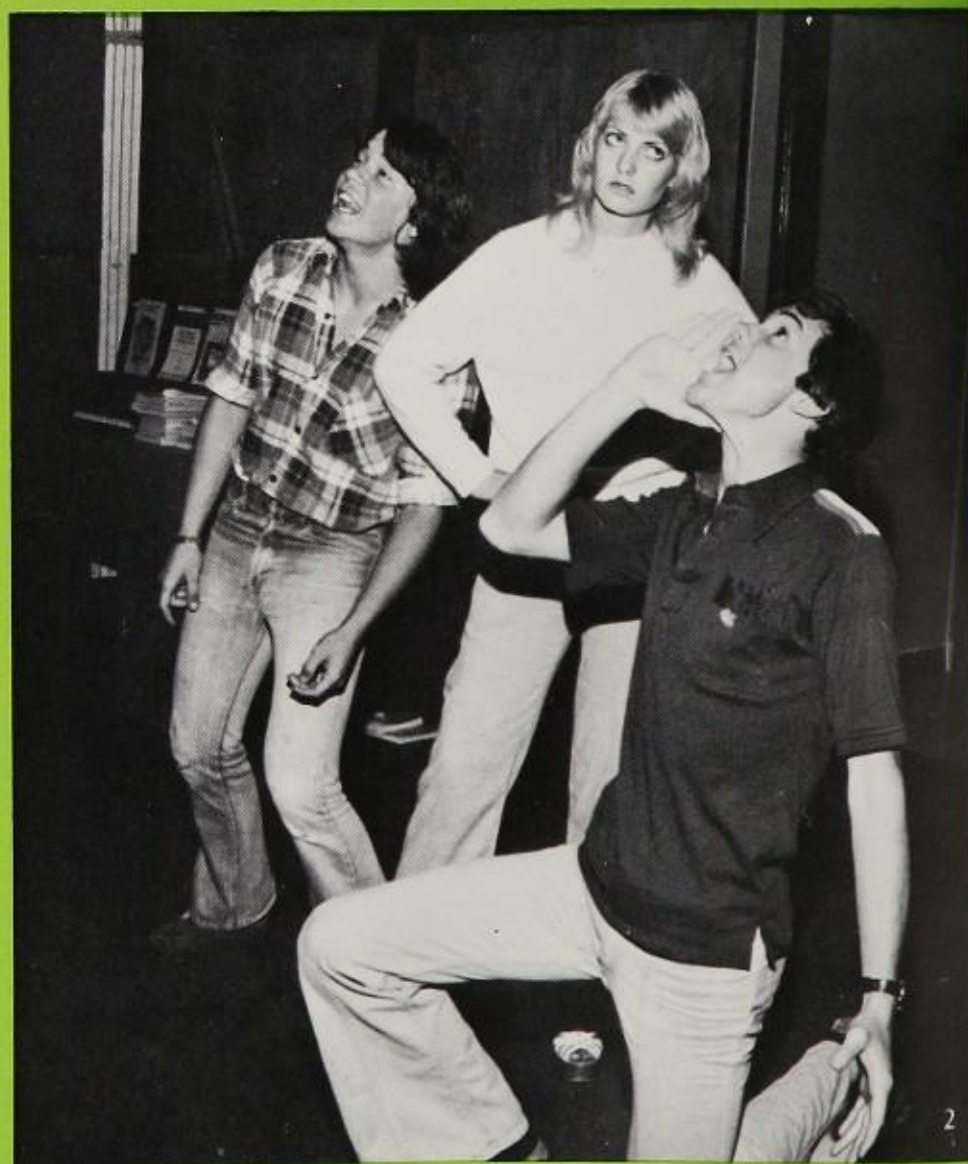

The theme 'Here's to Good Friends' was carried to the limit, establishing Homecoming '78 as one of the most successful events held at NPHS. Enthusiasm ran high with all who participated in the week's activities. Each class, along with ASB sponsored lunch time activities of a pie throw, a tug-of-war, a hotseat, a slave day, and a day rally, along with the first night rally in the history of NPHS. The week climaxed with the annual Homecoming game and half-time extravaganza. The festivities included a fireworks display, confetti, balloons, and noise makers in recognition of Queen Lisa Hernandez and her princesses. Her princesses were seniors Donna Fossa, Heidi Jenkins, and Heather Locklear; junior Tara Benneche; sophomore Natalie Miller; and freshman Marcelle Dupliessie. In the hotly contested game, the Panthers lost to Simi Valley with a score of 14 to 21. The following night was the semi-formal dance. The group Higher Ground played to the near capacity crowd. Thoughts of Homecoming '78 were thoughts of good friends.

DRAMA

In his first year of teaching drama, music teacher John Ledwon brought together his drama classes and drama club and began the year with the production of "The Mouse that Roared." At the end of the year, a musical was presented, and throughout the year various activities, including the Christmas production "The Twelve Days Of Christmas," kept the drama department in the limelight.

CHORUS

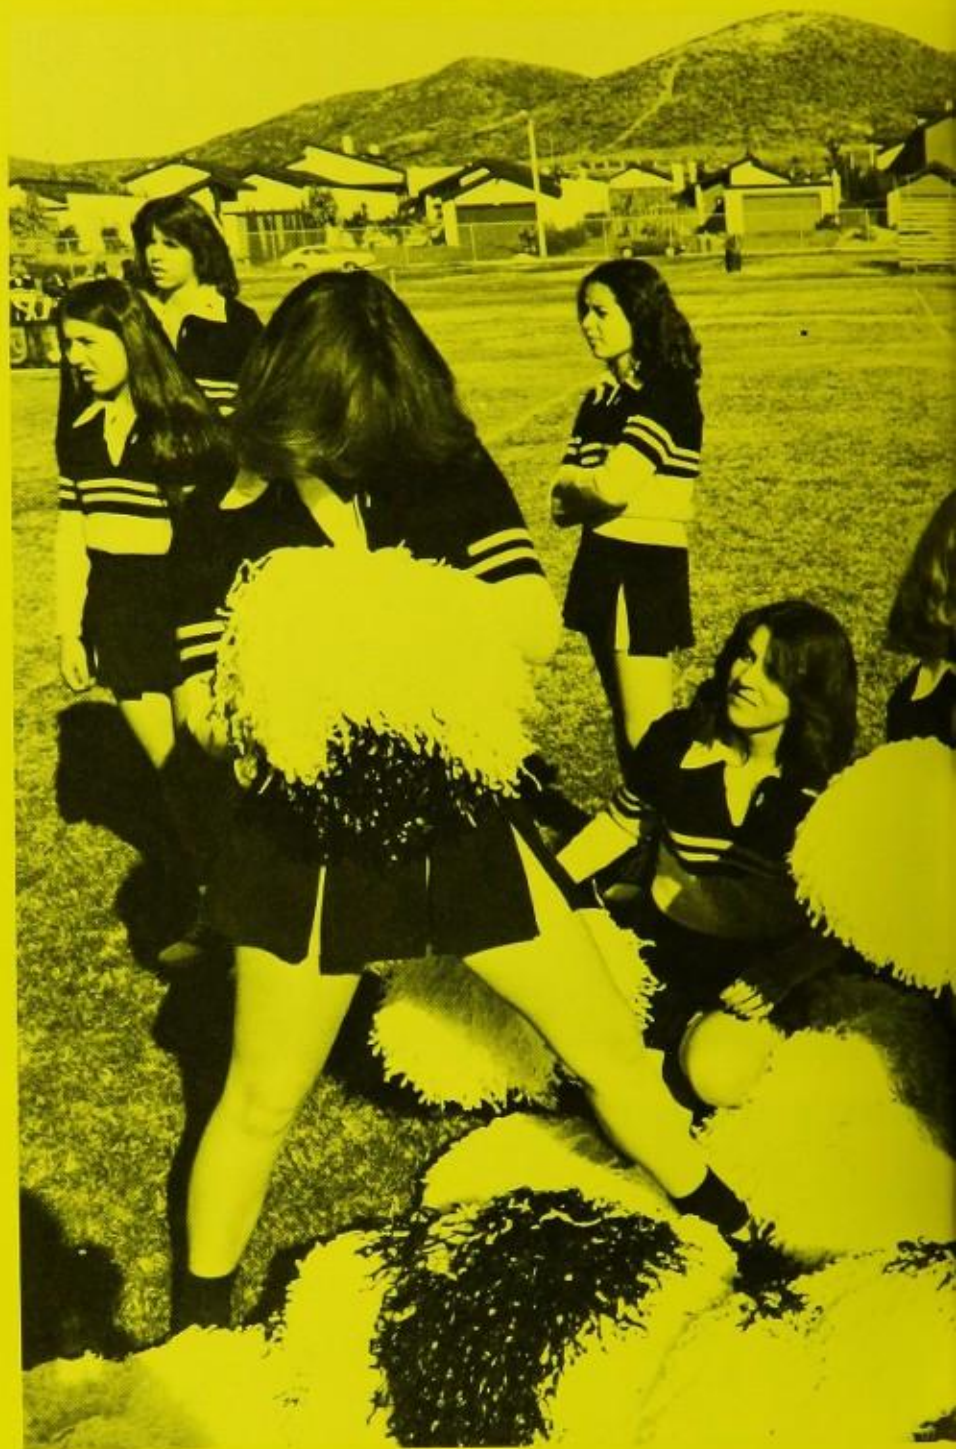

Supporting us musically this year was an excellent chorus consisting of the school's song and dance company, Black Orpheus, and mixed chorus. Under the direction of Mr. Ledwon, the group performed at various occasions throughout the year including their annual Christmas presentation entitled "The Most Wonderful Time of the Year." Other activities this year included a December trip to Knotts Berry Farm by the Choral group and a national competition in Mexico City attended by the song and dance company during Easter Vacation.

SEEING IS BELIEVING

THROUGH THE ARTIST'S EYE

One aspect of experiencing is to capture what is felt by the use of photography, or by the use of one's own drawing ability. Shown here are just a few of N.P.H.S. students' expressions. Under the excellent guidance of the Panther Fine Arts Department, students learned to create more than just a picture, a photo, or a clay pot—they learned to create a piece of *ART*!

During the school year '78-'79 there were many clubs taking action in the school. They held fund raisers and sponsored other activities throughout the year. A few new clubs were added to make a total of twenty-two clubs. With the help of their advisors, the clubs were able to have a very successful year.

1. Interact Club students doing a good job.
2. Visual Arts Club members spaced out on the moon.
3. Interact Club members admiring their day's work.
4. The DECA Club at the Christmas Dance.

3. C.S.F. (California Scholarship Foundation) was a club designed for students to raise money for the Scholarship Fund. They went on fun activities such as a trip to Disneyland on C.S.F. night. The club officers this year were: President (Dianne Glinos); Vice President (Robb Daniel); Secretary (Elaine Accomondo); and Treasurer (Wally Dickey). Their advisor was Mr. Thomas.

PEACE, LOVE, AND BOBBY SHERMAN

Nostalgia is an important part of many people's lives. Some seem to live in the past. Bringing back the memories of the 60's was the one purpose of 60's day, sponsored by the journalism class. Beatlefever performed February 23, in the gym and consisted of two of the members of the original Beatlemania cast.

1. Memories of the 60's return with the cast of Beatle Fever.

2. Joe Marion, Sean Pence, Ed Fassl, and Tom Appleby express their dislike for the "fuzz"

3. The "Blues Brothers"-Steve Leiberman and Danny Seigel.

TO-GA! TO-GA! TO-GA!

To-ga, To-ga, To-ga is the famous cry that comes from human beings clad in a sheet with a variety of bangles to make each Roman different. Toga Day, March 23, was the first of its kind seen at Newbury Park High School. A.S.B. held a toga contest where the most original toga was selected. That night was the first annual toga dance, attended by all kinds of Romans. Taken from the popular movie "Animal House" togas became a fad not only seen at school but at parties as well.

1. Toga types advertising for the JC Penney White Sale.

2. Jack Nosco and Mark Nestor party in their "Sunday Best."

3. "I'm a 'Soul Roman'", says Lael Bland.

N.P. LOOK-A-LIKES

Living in Southern California, the home of Hollywood, we are constantly bumping into celebrities from all areas of show business. Some NPHS students were lucky enough to see some of the more popular stars of today at school. There was the day when actor John Belushi paid a visit to our campus. Farrah Fawcett-Majors was seen out by the pool. Dolly Parton stopped by for a visit while on a break from taping. But perhaps one of the most exciting encounters was when rock singer Ted Nugent played a special lunch time concert on the quad. These are just a few of the famous people that frequented our campus throughout the 1978-79 school year.

1. Look at Dolly's bi-lateral symmetry. (Pam Marburger)
2. Farrah flashes her world famous smile. (Heather Locklear)
3. The Salt Pepper gang? (Pat O'Hara, Rubin Lang, Pam Fulton, Brice Dailey)

1. Samurai Custodian. (Orlando Iosue)
2. N.P.'s own Ted Nugent. (Ed Fassal)
3. Last year's berry undergoes radical change.
4. Which one looks more like the other? (Marlena and Bethany Huter)

CHRISTMAS '78

Christmas 1978 was celebrated on the quad with music from our school band and Santa Claus. The activities were sponsored by DECA. DECA also was in charge of this year's 10th annual Christmas dance. A "backward" (girls asked boys) dance, it carried the theme "Winter World of Love." An estimated 250 couples attended the dance which was held at Borchard Community Center.

1-Debbie Lease, Mary Anne Bellinghiere, Meg McNab. 2-Mrs. Erpin. 3-Jenny Korda, Kristen Keyser.

4-Bill Sanchez and his date, Laurie Lee, David Allan. 5-Doug Bell and his partner, 6-Andy Hyatt, Florie Decker, Marie Larter, Tracy Barker. 7-Cris Sutter and his date.

THE SEAS

On December 16th, twenty-three Newbury Park students took a boat trip to Anacapa Island with their teachers Mr. Pardee and Mr. Buttner. The group hiked on the island observing plant and animal life. While there a scuba diver brought the group such tasty treats as sea urchin eggs and raw scallops. Mr. Buttner took some abalone home to eat with white wine. (He didn't share any with Mr. Pardee).

5-Diane Zahn, Scott Willis. 6-Left-Billy Kulhanek, Diane Zahn, Ken Kilbane, Scott Willis, Deanna Buttner. 7-Terry Pardee. 8-Ben Buttner.

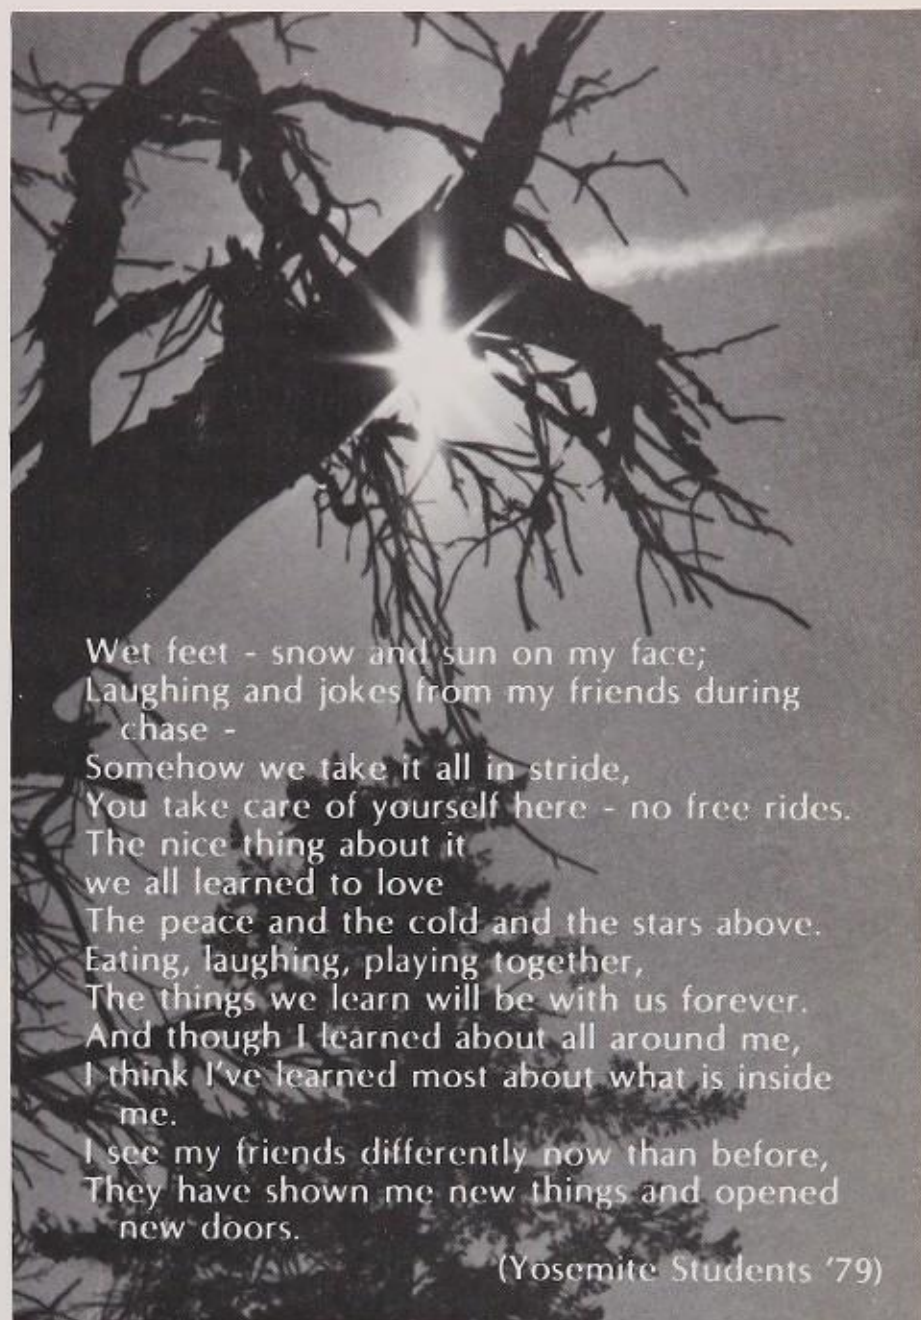

YOSEMITE INSTITUTE '79

Between March 4th and March 10th, fortunate N.P. students had the opportunity to attend the Yosemite Institute Program. 51 students and 4 advisors (Mr. Pardee, Mr. Buttner, Mr. Freed, Mrs. Maybee) spend three days at Yosemite Lodge where they hiked to Columbia Point. They then travelled to Crane Flat for three additional days of snowshoeing and cross-country skiing. Candle-light sharings, kerosene-lamp dinners, moon-light walks in the snow (and cold showers!) made this week truly unforgettable.

OH BABY! THAT'S THE LIFE!

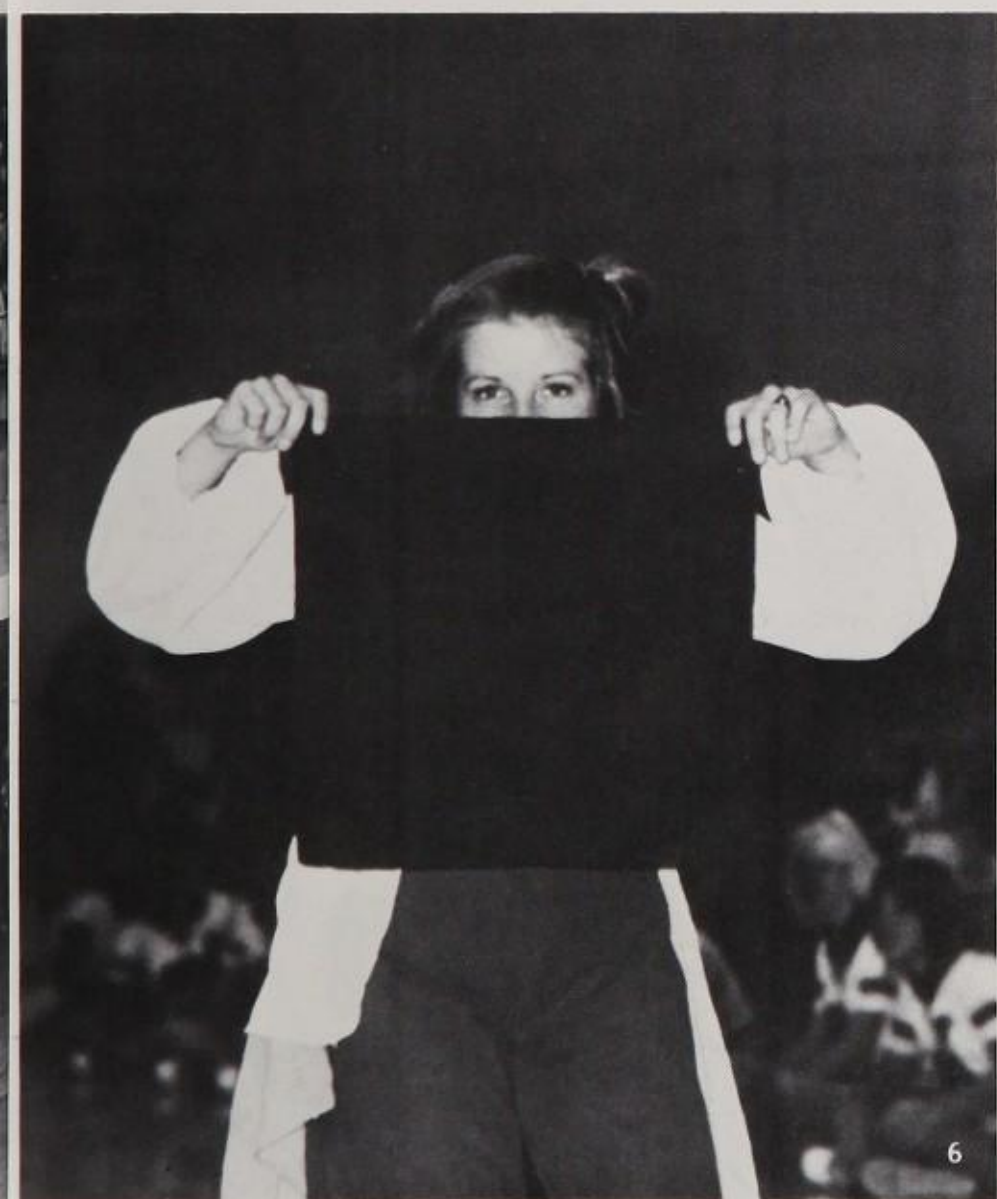

1. John Shiban fighting dehydration.
2. Chris Riggs waiting for the Pohonos.
3. Pohonos ascending to Columbia Point.
4. Tootakanulas dwarfed by the waterfall.
5. Posing for a photo are 51 lucky students.
6. Steve Keiner winning the snowball fight.
7. Sue, Jim and Robin taking the easy way down.
8. Norm Ruder reflecting Yosemite.

A RALLY!

School spirit was exhibited through our many rallies throughout the year including a night rally and pool side rally. Through the efforts of cheerleaders, songleaders, bandmembers, and various other participants, this year's rallies were both entertaining and uniquely highlighted by such activities as a toga fashion show and various guests visiting our school.

1. Seniors anticipate the first basketball rally of the year.
2. Natalie Parski wades through the crowd trying to find a seat.
- 3 and 4. Visitors to our rallies included a trainer and his three performing chimps.
5. Students join in to sing the Alma Mater.
6. Donna Fossa takes part in the songleaders tribute to King Tut.
7. Anonymous cheerleaders between routines.

THING

Causing trouble and partying-this was a big part of Senior Life at N.P.H.S. But that was not the extent of it. A few students managed to get a little schoolwork done in their spare time. Many felt the enthusiasm was lacking - this being their last year of what was known as "high" school. The good ol' Senior Spirit just wasn't there. Yet, a handful of the residents in N.P.'s hallways tried to put the laughter and crazy times back into the graduating class of '79. A.S.B. held the very first football night rally in the history of the school. The Seniors 'experienced' their first ever popular 'Toga Dance'. Nothing was worn but a simple sheet wrapped around the body, while couples 'stepped out' in time to the music.

For 79' seniors (besides partying and more partying) there was the worry over SAT scores and college admissions. It came time for us to think about more important things than burnouts and fake re-admits. We had to realize that the real world of college waited just around the corner. And, after we knew that, taxes, unemployment, mortgages, jobs, marriage, children and ... insurance salesmen faced us. Well, this makes explainable why so many seniors "kiked back" this past year after realizing the challenges which were in store for them very shortly. Besides a few hard-working and studious seniors, most of us either graduated at the midterm or had a schedule which mostly contained classes like Beginning Foods, Home Study, Work Experience and Finger Painting.

Grad Nite at Disneyland—The night after graduation ceremonies, graduates gathered for their last "Senior Experience."

GRADUATION REMEMBRANCE

By Danny Siegel

EXPERIENCE

A good number of Newbury Park High School students were surprised by one fact during the '78-'79 school year—that is that they were finally seniors. It didn't seem long ago that we entered this institution of learning as intimidated, wide-eyed freshmen, never really thinking that one day we would make it as one of those "older kids" who walked so poised down the hallways. But we did. On the way to the 'top' we went through many changes both physically and mentally. At school we also witnessed changes: a new principal during our sophomore year, Mr. James DeFrates; the addition of the "C" building which contained the majority of our science and math classes; the outdoor stage produced this year by ASB; the new activity and locker room facilities; and the great change in the overall appearance of our school (more grass and trees). By year's end many seniors asked why the preceding three didn't pass by quite so fast. Before we knew it, the Ball and Prom were upon us, and soon after, Graduation and Grad Nite had arrived. When we look back to these precious years, we will always remember with individual sentiment and feeling the class of 1979.

The end will bring

tears...
We shall remember
those days in future

SOPHOMORES RULE

Sophomore Class Officers are from left to right: Joanne Gyi, Tina Girardi, Betsy Cowdin and Denise Naggar.

I am but a person among many
 But like all I have many thoughts
 And of these thoughts I am—
 So if I may, I would like to say
 What lies in my thoughts—
 For our thoughts are what we are
 They are all that we shall always be
 And in these thoughts we exist;
 Within these thoughts lies all that we have seen
 Thoughts are all that have been
 They are all that we shall be
 And that we are.
 We are free to control—
 For our thoughts are as the past
 And the past is only as we see it.
 So see in the past only what is good,
 And think as the good held in the past
 So that your future shall indeed be good.

BETTER THINGS

JUST KNOWING THAT....

THE BEST IS YET TO COME

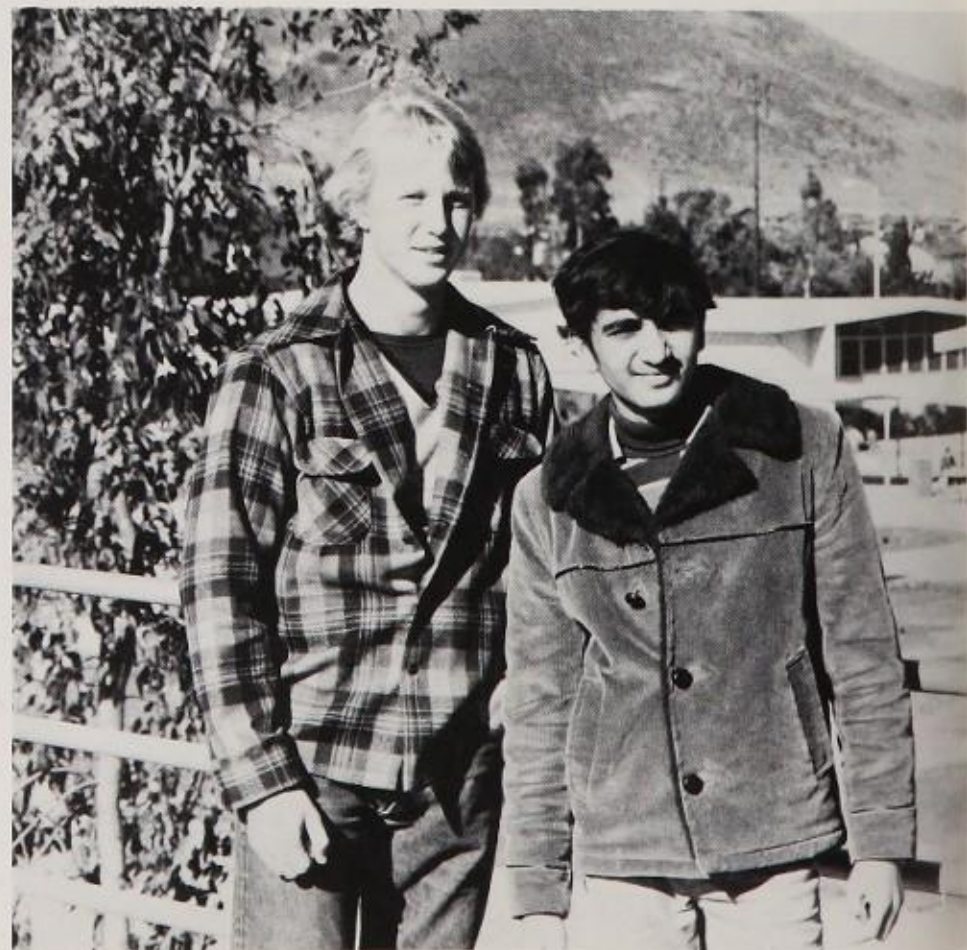

WELCOME TO

From the days of the Gold Rush, California has attracted people from all over the world to find a better life.

At Newbury Park, we have many foreign exchange students and students who have moved here from another country. Among these are from Iran- Ed Marghossian, Farid Goleh, Ata Rasekhi, Navid Tebpani, and Hamlet Zadourian, Brazil- Andre' Petry, Japan- Nikki Ikeo, Mexico- Maria Vargas, Korea- Abraham Chang, Denmark- Marika Kurpa, Lars Riis, Holland- Miriam Duiker, Casy Havelaar and from Sweden- Bengt Kohlin.

During second period, you could find the foreign exchange students in Room 55 with their teacher, Amy Reed, who is teaching them English.

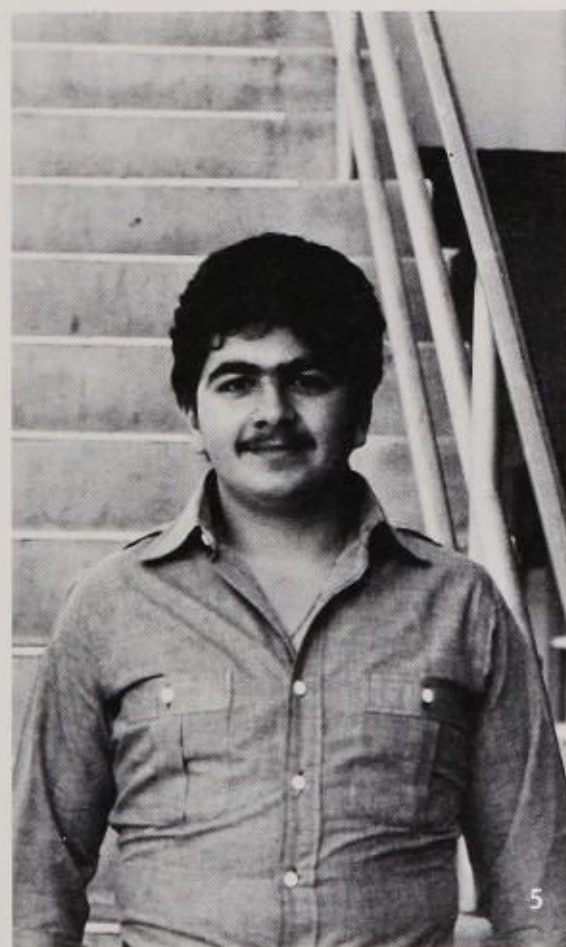

We asked some of these students how they felt about California. They found that the people are very friendly and the weather beautiful. (When it's not raining!) One thing that amazed Bengt Kohlin about California was that one day you go swimming at the beach and the next you can go skiing in the mountains. "In Sweden that is impossible!" he said.

2. Varsity team getting some pointers during the Agoura game.

The Varsity Water Polo team enjoyed a winning season this year. The highlight of the season was the game against Thousand Oaks, both teams fought hard the whole game and Newbury Park emerged victorious in over-time. Coach Chris Sawyer commented on the game, "It was the most exciting Water Polo match I've seen in CIF play." Matt Hayes and Jack Mantor shared the team captain role this year. This year's team scored an impressive 229 goals to their opponents total of 107 goals. The varsity team combined good coaching with an all-around team effort to produce a winning season.

STEW'S TROTTERS

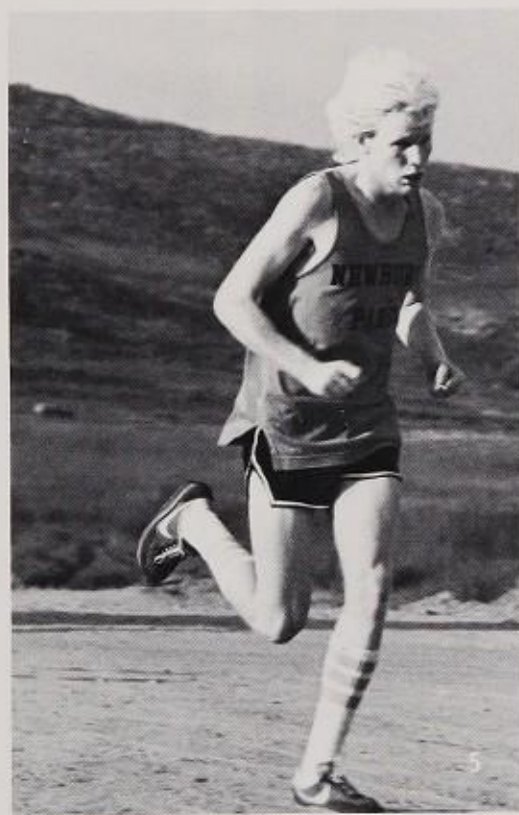

It was a break-even season for the varsity cross country team as it finished with a 4-4 record, even though three of the top seven runners of last season transferred to other schools. Bob Rotte, second man varsity, summarized the season as follows: "We didn't have a great season, but we did the best we could with the material we had." Al Camarillo, when asked his opinion stated: "Depth was the one thing we were lacking. We didn't have as much grouping as we had last year."

Danny Esparza was the standout of this year's team as he beat the best the Marmonte League had to offer while going undefeated.

2. Sue Broccoli, Mary Botch, Diane Hughes and other varsity runners use their grouping tactic to win over Thousand Oaks.
3. In the Thousand Oaks meet. Denise Ball, even though in pain, never gives up.

VARSITY GIRLS X-COUNTRY

It was only the second season ever for girls cross country, but the varsity girls performed like "Old Pros" in rewriting the record book and emerging as a CIF power. The varsity harriers started strong and never let up in sweeping the Marmonte League and finishing as southern section CIF runner-ups.

There was more than enough glory to spread around as Susan Broccoli became the Marmonte League Champion for the second straight year. Mary Botch was named Ventura County Runner of the Year, Denise Ball was selected Ventura County Freshman of the Year, and Diane Hughes, along with Kelly Hansen, joined Broccoli, Botch and Ball in the All-Ventura-County First Team. In all, an awesome team gave us a season to remember.

4. Teresa Giorgianni, small but mighty, takes 6th in the Thousand Oaks meet.
5. Front row: Teresa Giorgianni, Denise Ball, Diane Hughes, Kelly Hansen. Top row: Toni O'Neal, Sue Broccoli, Kris Sutton, Mary Botch, Tracy Trisco.

In previous years, the Newbury Park Frosh/Soph x-country team had gone undefeated in league competition. The pressure was on for the boys when enthusiastic coaches and fellow runners encouraged them to carry out the unmarred record. The team did carry the triumph one year further to make it the sixth win in a row. When asked how he felt about the competition, the Frosh/Soph runner Mike Everett said, "I figured we had a good chance, but we were threatened after T.O. beat us, but it made us work harder to beat them in league finals. We did it!!!"

SOPH/FROSH—UNMARRED RECORD

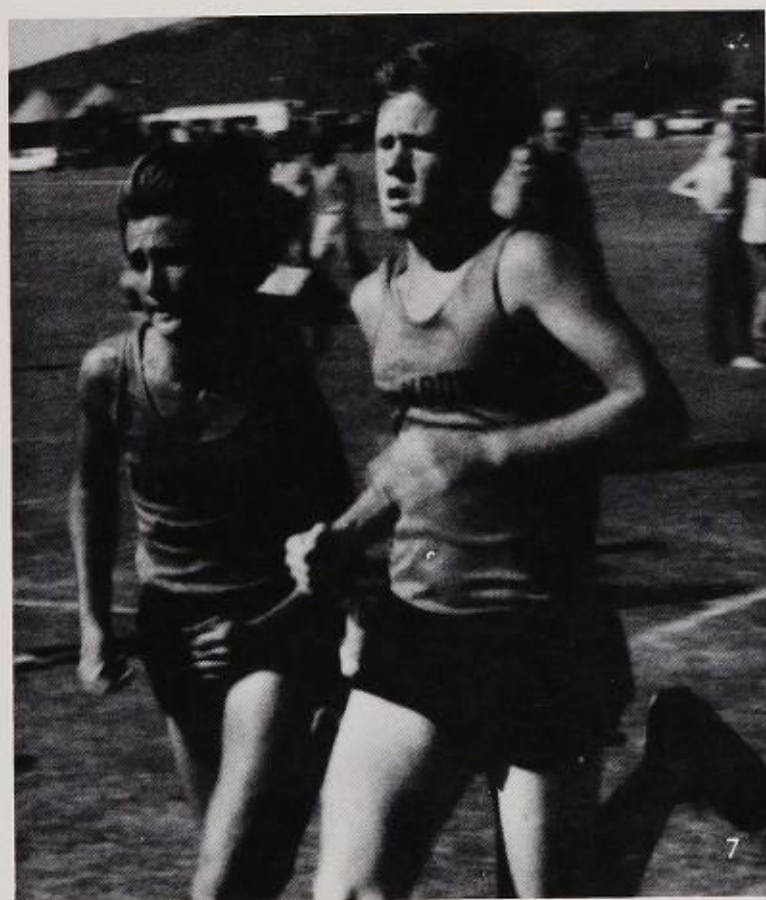

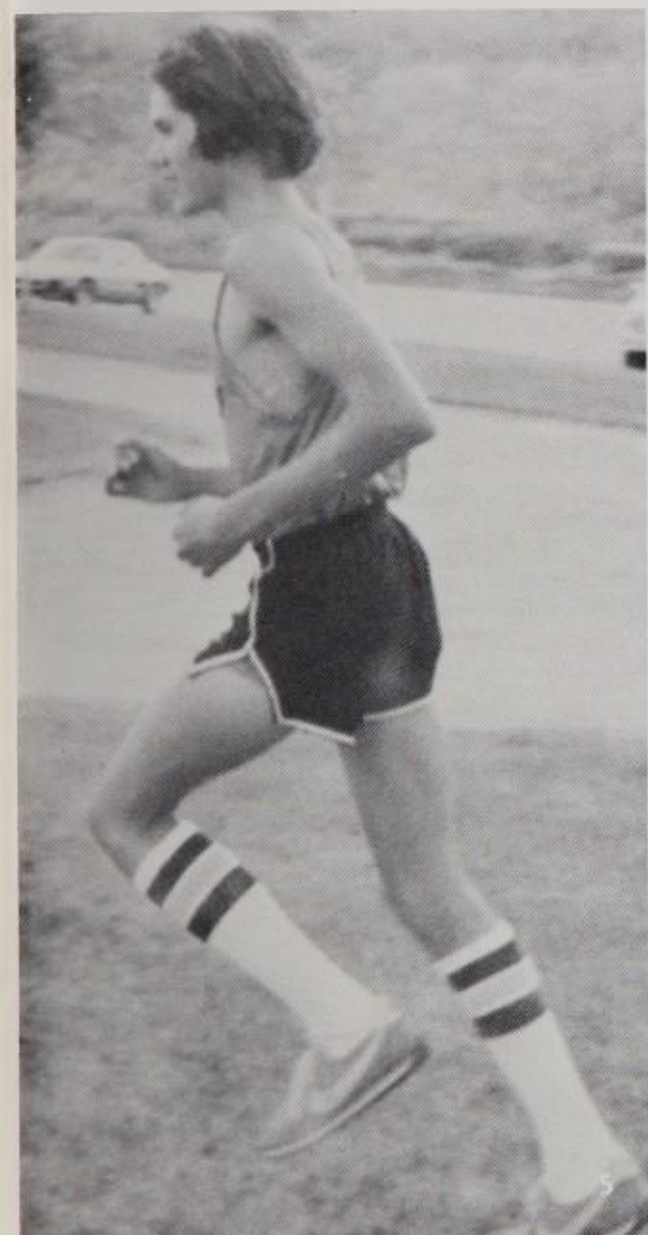

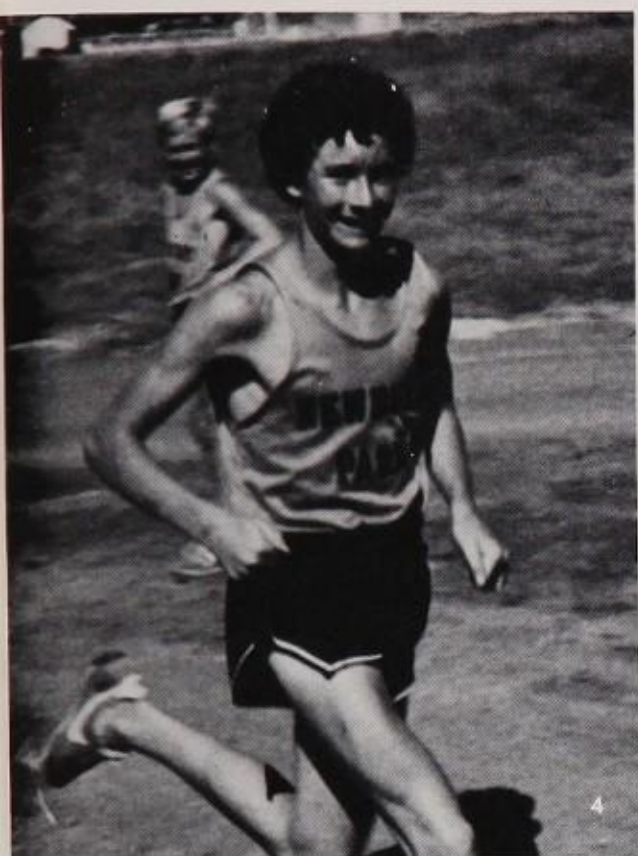

1. Mark Egidi leads the pack, with Scott Campbell in second.

2. Mike Everett coming into the home stretch.

3. Jeff McChesney working hard with 50 yards to go.

4. John Botch enjoying the run.

5. Bill Sanchez warming up before his race.

6. Front Row: Mike Everett, Randy Tsuda, Scott Hughes, Mark Egidi, John Botch. Not shown: John Devere.

7. Ron Garcia, Jeff McChesney running side by side.

BIG AND POWERFUL

The J.V. Boys had a very successful season. According to T. J. McGreevy: "The team got a lot of support from different runners each week. We worked together as a team and showed well at Invitationals."

This year's team was probably the largest in the league in terms of sheer numbers - more than 40 runners! Coach Stewart's philosophy is to encourage interest and participation in the sport as a means to individual and team accomplishment.

The team compiled a record of 7 wins against only 2 losses.

1. John Cummins leads the pack in the Thousand Oaks meet.

2. Carl Morsa in the Agoura meet.

3. J.V. Boys, Front Row: M. Stueve, E. Edeen, G. Collins, M. Hildebrandt, F. McGuirk, R. McElvain, N. Blanke, R. Daniels, J. Weber, S. Johnson. Second Row: G. Hadley, J. Kryvoruka, G. Durand, S. It was another victorious year for the girls J.V. X-Country team. Their record was 7-0 in league competition. They were ranked first in all of Ventura County. This was a great accomplishment for the girls because many of them were new to high school cross country.

Senior runner, Kris Sutton, gave us her view of the overall results: "We all worked together and were striving for one goal - to be #1. We knew we could win if we all wanted it bad enough and were willing to work hard enough."

ONE POINT

This year's varsity soccer team had an excellent record, improving greatly since their start last year. They won nearly all their games, leaving only one point too few to make CIF. Under the direction of Coach Dave Singh and headed by the team's Most Valuable Player Pete Young, the team showed it's ability to play an excellent game of soccer.

It was a learning year for the girls varsity tennis team, according to coach Dave Williams. Although it did not go quite as well as expected, they did start the season with an impressive 6-1 victory over Rio Mesa. Varsity player Dianne Randall attributed some of their problems to the fact that they had lots of injuries. Mr. Williams also pointed out that the opening of Westlake High School had taken away some of last year's players.

This year the "Sportsmanship Award" was given to Robin Johnson. Lori Baeaoan received the award for "Most Improved Player," while Heidi Lundgren was given the "Team Spirit Award."

SLAM

The girls junior varsity team did not have the season they had hoped for. It was an extremely young team according to the coach, who also explained that there were very few returning players. As in the case of the varsity team, the J.V. team also lost many players to Westlake High. Despite this, Lisa Kane commented that there were a lot of improved players.

The single award given by the junior varsity team was "Most Improved Player," received by Dianne Coleman.

The varsity wrestling team showed well this season, with an over-all dual meet record of 13 to 5. The team took third place in the Marmonte League with Tim Pugh (130 lbs.). Tom Pugh (141 lbs.) and Tom Luke (157 lbs.), each taking the Marmonte League Championship Title in their individual weight classes.

SOPH/FROSH WRESTLERS LOOK FOR COMPETITION

Proposition 13 eliminated the Soph/Frosh teams in many schools thus leaving our team scraping for competition. Newbury Park defeated Hillside and Calabasas in dual meets but most of the competition was through Junior Varsity Exhibition matches and Invitational Tournaments including Santa Barbara, Royal, and the Marmonte Invitationals.

Varsity Basketball also played for the Ventura Christmas Tournament Championship with Gary Abraham and Troy Jenkins making the "All-Tournament" team.

Most outstanding players were Troy Jenkins and Greg Intlekofer.

J.V.'S GO ALL THE WAY

The 1979 J.V. Basketball team enjoyed a winning season, they lost only one game all year and are ready to play varsity next year. The J.V. team played a fast-paced type of game with strong shooting coming from Rick Maloney, Dale Schroeder, and Pete Huffer. The teams excellent defense was responsible for keeping the games one-sided in Newbury Park's favor. Coach McKeown worked hard during practice and it payed off for them as they won league.

They even defeated Buena High after two previous losses and won Buena's Christmas tournament. The team's good record was maintained largely through the efforts of Rob Minish and Brad Fransworth who were both chosen to play for Newbury Parks All-Tournament game, and Cris Bales who was voted the team's most valuable player.

VARSITY GIRLS TAKE FIRST PLACE

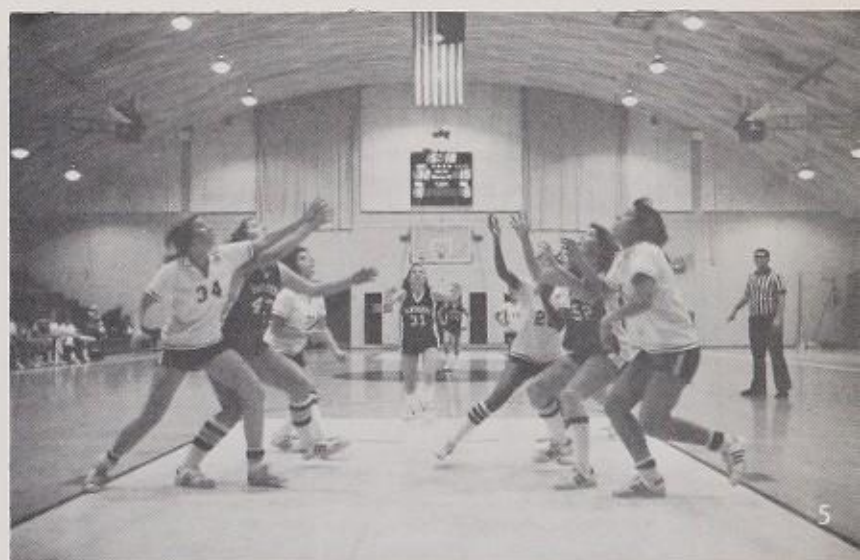

It took a long time, but the Girls Varsity Basketball Team finally won the Marmonte League title. Panther Coach Nori Parvin said, "The girls worked hard all year and were really determined to be league champions." Helping greatly to that cause and playing consistent ball all year were co-captains Lisa Condie and Kris Koerbling both of whom have been playing varsity for four seasons. Lisa Condie led the Marmonte league in scoring.

5. Heads up!

Well, it came down to the final game of the season to determine the league champions and in a hard-fought contest, the Panthers emerged victorious, beating T.O. by a score of 36-25. The Girls J.V. team combined a well-balanced and consistent offense with an aggressive defense to produce a winning season.

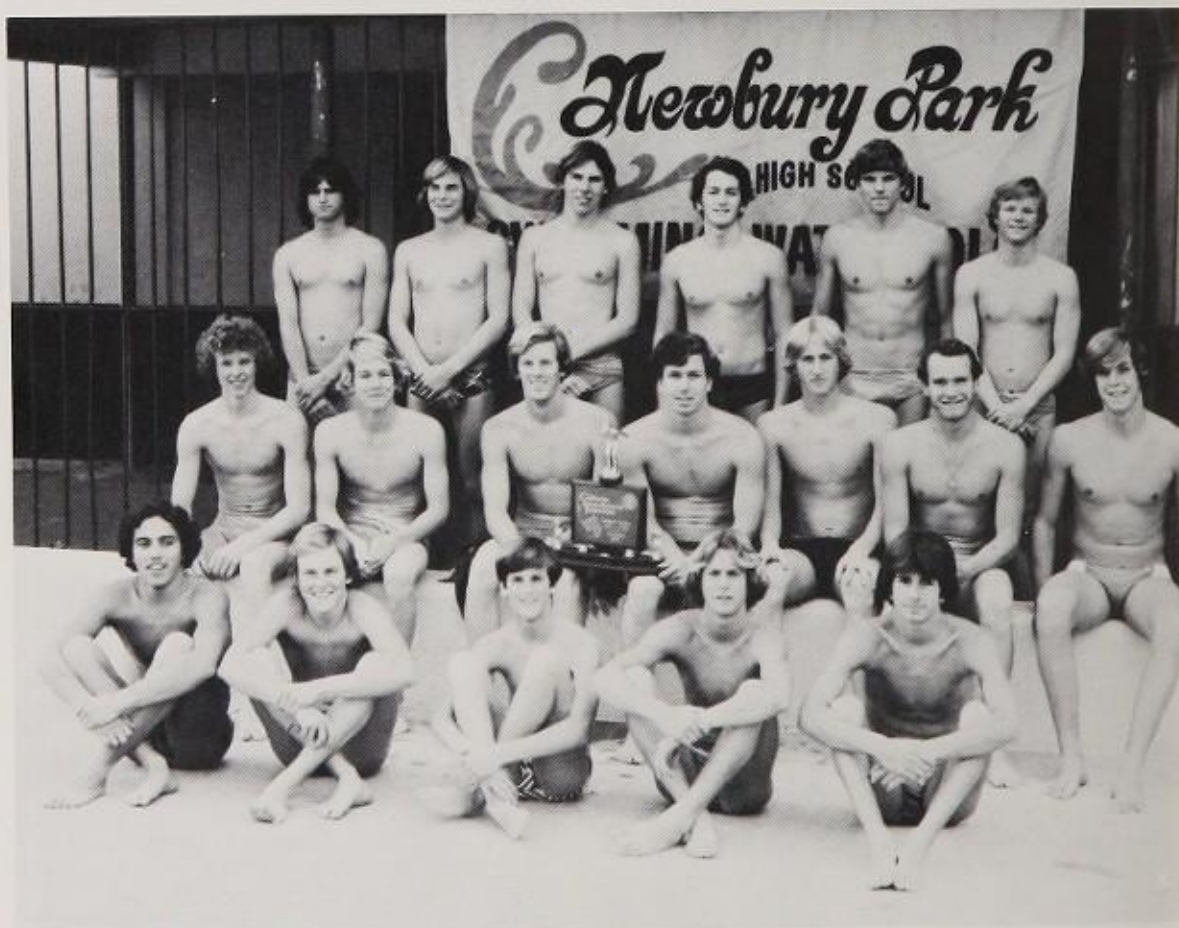

THE CHAMPS

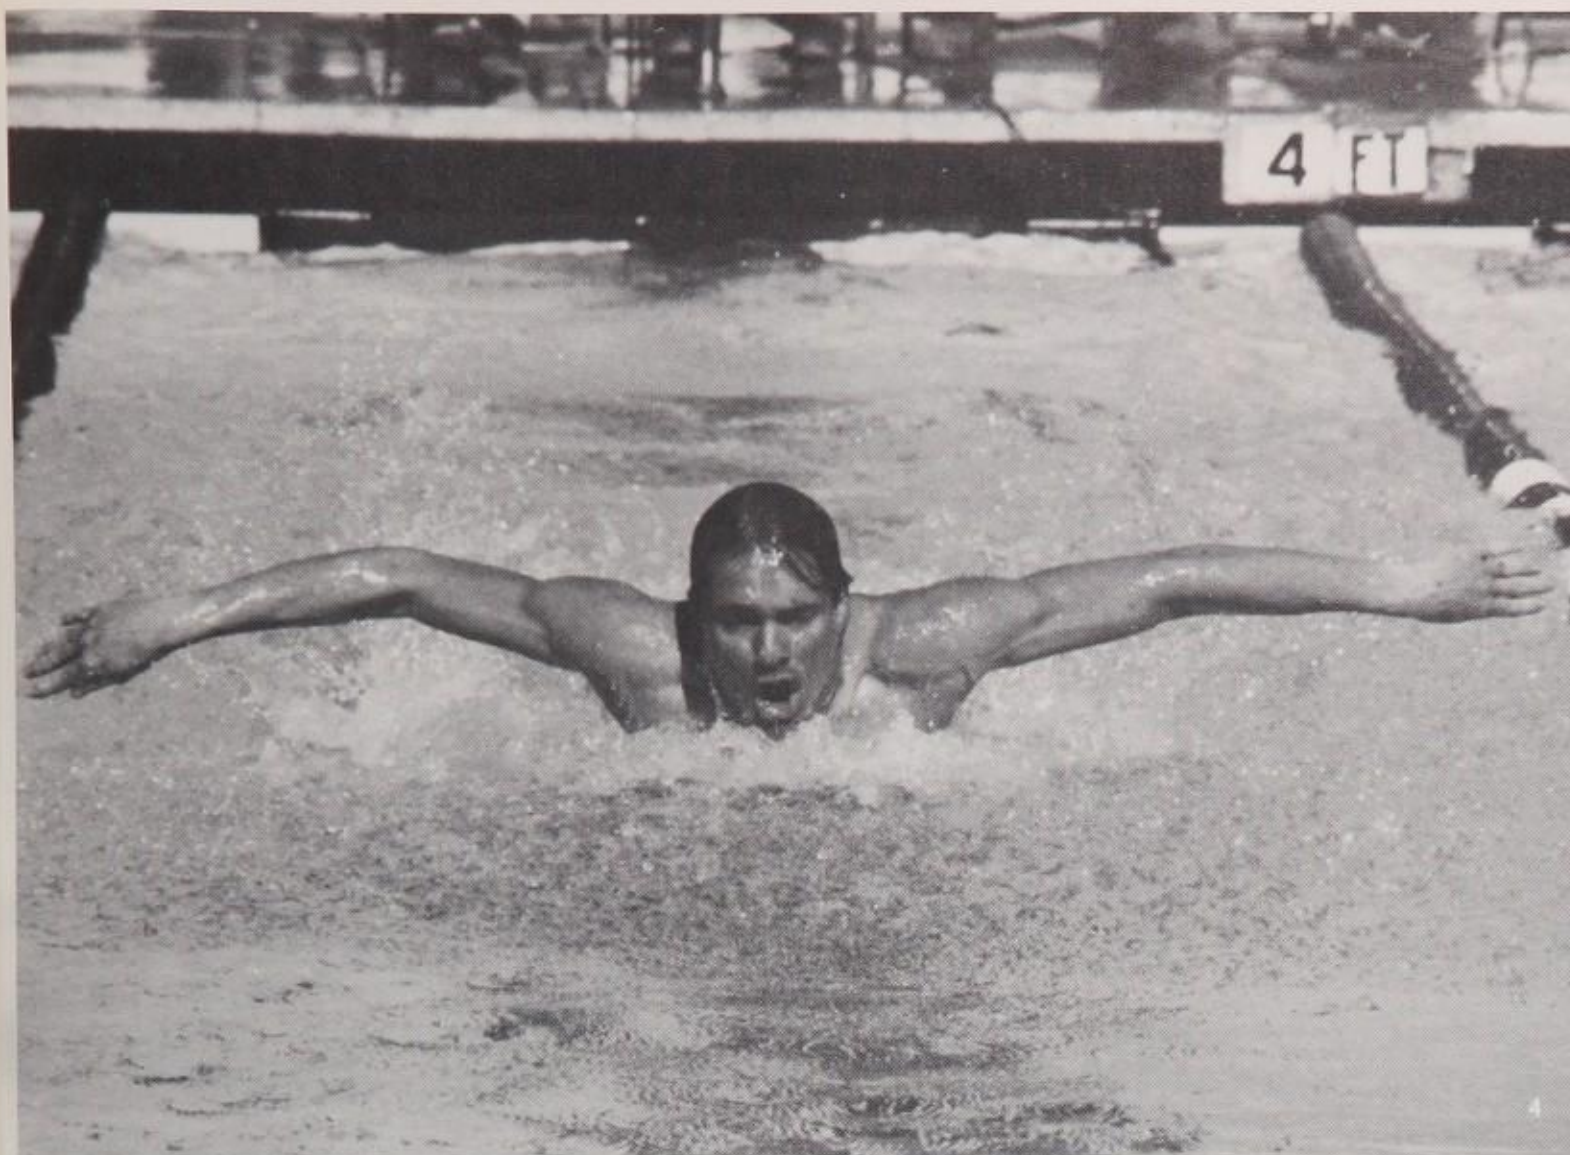

The swim team this season was probably the best ever at Newbury Park. Not only did they win Marmonte League, but they walked away with the C.I.F. Playoffs.

The team had a lot of depth this year, with Matt Hayes and Jack Mantor leading the way for the Panther swimmers. The Varsity swim team has extended its winning streak to 49 consecutive league matches, quite an accomplishment for any team.

Congratulations to Coach Sawyer and his team for bringing home this school's only C.I.F. victory.

A SUPER SPLASH

The Junior Varsity and Freshman teams did extremely well this year. Although the J.V. team was made up of only five members, they managed to place first in league. As J.V. member Nick Dick put it, "It was hard but we made it through alright." The Junior Varsity team also managed to "blow away" the T.O. team by a score of 50-0.

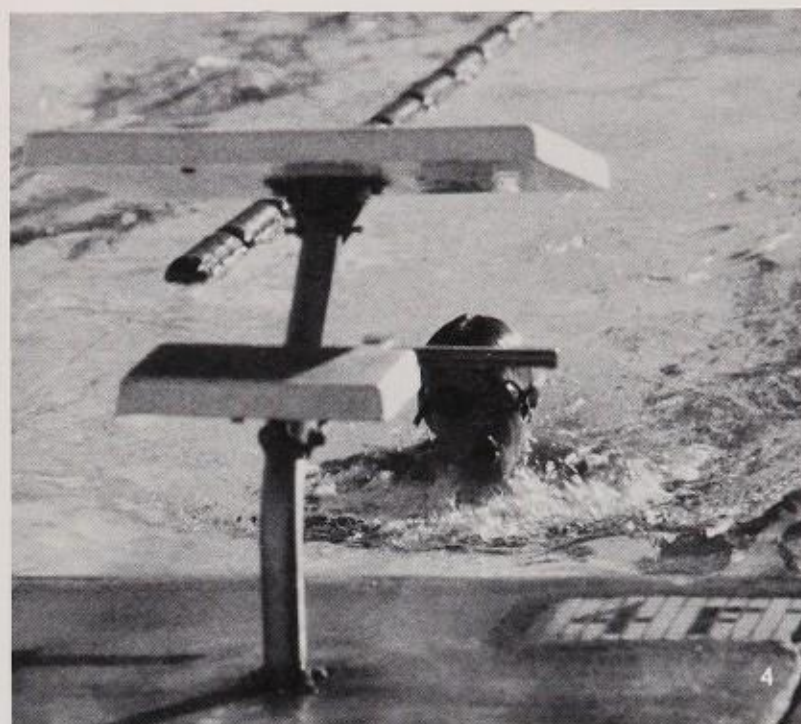

The Fros/Soph team was very strong this season, also. They won league by a good margin and the team looks extremely strong for the future. Two of the team's most successful swimmers include Dave Langer and Joe Marieu who show great promise.

N.P. GIRLS KNOW THEIR STROKES

The 1979 Girls Swim Team consisted of 50 girls, 16 of those making up the Varsity squad. Mrs. Sandra Washburn was in her third year as coach of the swim team and expected this to be a "growing year" for the girls. Several of the girls were expected to do well in CIF. Karen Mont was strong in the breaststroke and Karen Toth was very strong in the 50 yard freestyle, both medley relay teams were strong.

The Newbury Park diving team consisted of only three divers, Russell Martineau, Richard Mantor, Ron Jackson all of whom had fine seasons. Russell Martineau led the Panthers this year by setting a CIF record in the preliminaries. Russell might possibly be in the 1980 Olympic Games. All of the divers are underclassmen and are expected back next year.

A TRIBUTE

The Pawprint would like to pay a special tribute to one of Newbury Park High School's finest coaches. He spends hours every day before and after school giving of himself in order to make his teams the finest possible. His name is Chris Sawyer.

When Coach Sawyer took over as coach of the Newbury Park swimming team seven years ago, he led a rookie team to a 4th place finish. Since then he has finished no lower than first in Marmonte League Swimming. If winning ever came easy to anyone it seems to for Coach Sawyer with his remarkable record. He has won 49 consecutive league meets and this season they went on to win C.I.F. overwhelmingly.

Due to his nation-wide acclaim he was chosen to coach the United States International High School Team in

France. In that meet, he led the U.S. to a world championship.

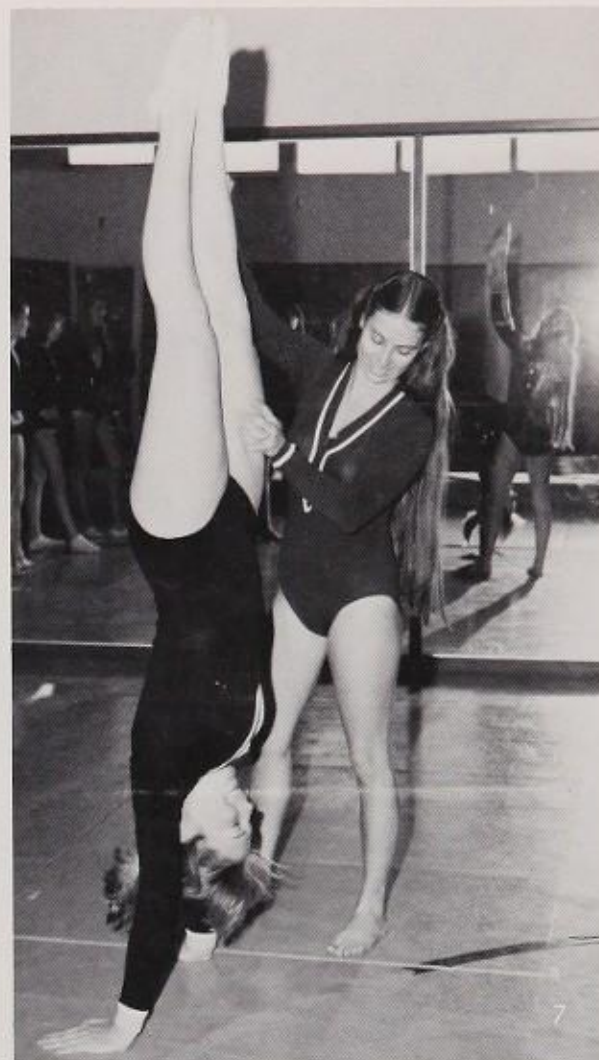

In 7 years as Swimming coach, Chris Sawyer has been fortunate in that he has never been without talent. He has produced 14 all-Americans, one of whom was Mike Hayes who set two world records at the World Meet in France.

Coach Sawyer has also been coaching Water Polo for 6 years. Although he says his Water Polo career isn't as impressive as his swimming, they still have done very well. They finished 1st three years and have two undefeated seasons to their credit. Coach Chris Sawyer has a very special talent in that he motivates people to win. He has done an excellent job in the past years and we wish him the best of luck in the years to come.

GYMNASTS VAULT

TO THE TOP

The Newbury Park Gymnastic Team began the season with two new coaches. The team worked 6 days a week for 2 1/2 hours. Returning members include: Carmen Wall, Gail Robb, Glynis Chafin, Delores Reina, Kim Falkner, Pam Lombard, Carolyn Mogan and Lynn Doody. The Newbury Park Varsity Tennis team is off to a good start this year. They have several players returning from last year and are set for a winning season. Leading the way for the Panther's tennis team are Steve Poorman and Hoppy McClung, Steve who did not lose a league match last year and Hoppy who lost only one should be tough competition this year. Coach Elwyn Ellis said, "This will be the year the team does it all, were going to win league and do well in CIF." Newbury Park's toughest competition will come from T.O. and Agoura both of which have very strong teams. Many of the players feel they have a very good shot at the league title, Dave Sinner commented, "This years team isn't the best N.P.'s ever had, but it's the best one in the Conejo Valley this year."

TENNIS ANYONE?

The Junior Varsity tennis team is solid this year with a lot of returning players from last year. Greg Hughes and Tino Bacowan will be leading the singles and Josh Mednick and Steve Gangsei will be playing No. 1 doubles. Many of the players are optimistic this year and are not sure what they can expect. They'll have tough competition from T.O. and Agoura this year. The J.V.'s are determined to do well and should give their opponents plenty to worry about this year.

GOLFERS SINK IT BETTER

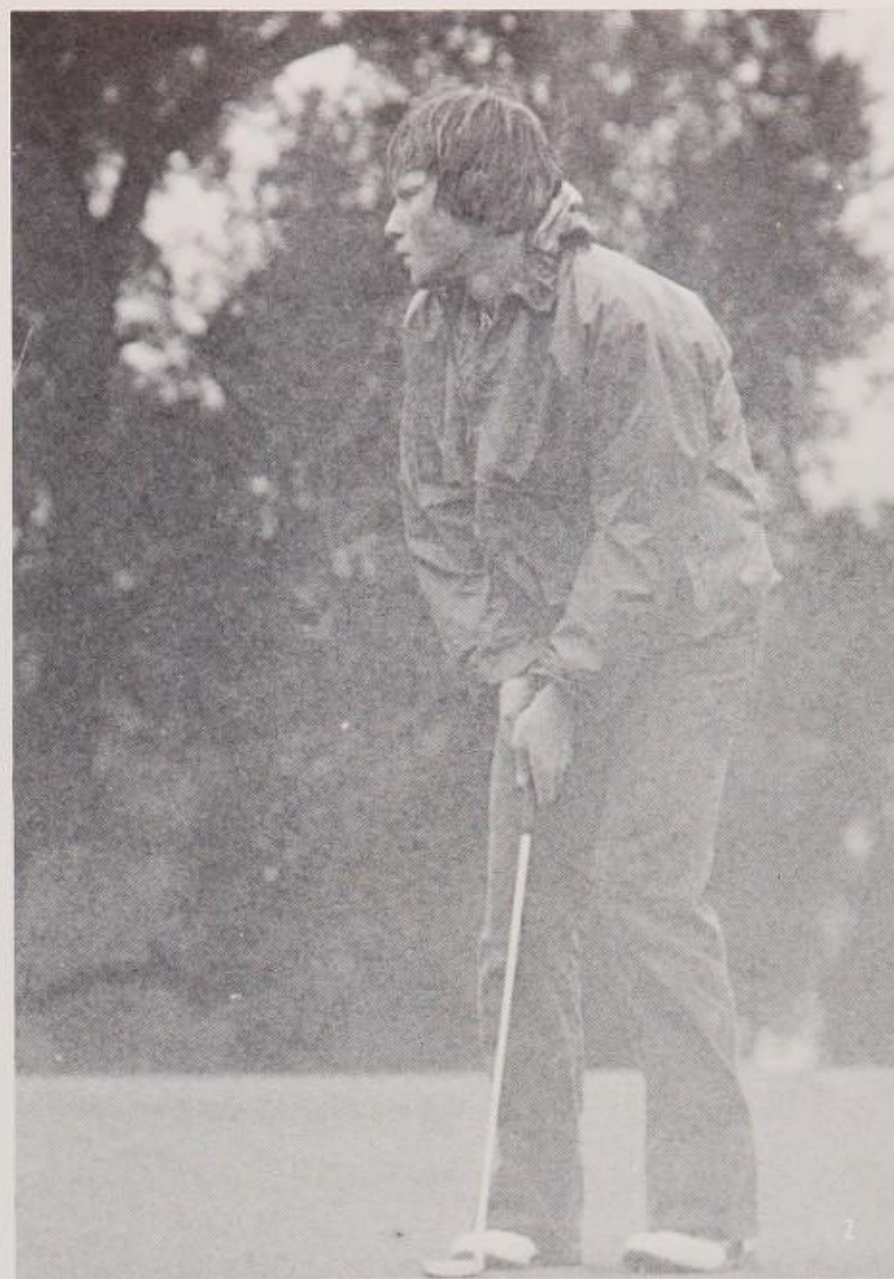

Under the leadership of Coach Bob Thomas, the golf team had great promise this season. They had an experienced team which had five returning lettermen, including Dave Hamilton, John Kolarik, Randy Clark, Rob Campbell, and Steve Devolites.

According to Coach Thomas, the team should have had depth with Junior Rob Clark and Freshman Mark Davis. He also remarked that Seniors Dave Hamilton and John Kolarik were to be the team leaders and give the team stability.

IN MEMORY OF . . .

Adrienne Kelly Scheller was just 15 years old when she passed away February 15, 1979 of accute lymphocytic leukemia. Her illness was discovered only a week and a half before her death. She shared many happy times waterskiing, shopping, bowling and being with her friends. Kelly was a happy person filled with many dreams and ambitions which will never be fulfilled because of her tragic passing. She was loved by many for she was a very special person.

Kelly inspired others to rise and shine.

She always sparkled no matter what time.

Her heart was always open-

For anyone who needed a friend.

She was strong, cheerful and kind-

Until the very end.

Tho we are very hurt and sigh and moan-

We know she is in God's hands and not alone.

She will be here forever, in our hearts anyway-

We'll love her dearly forever and a day.

Though strong in deed, and meek of word-

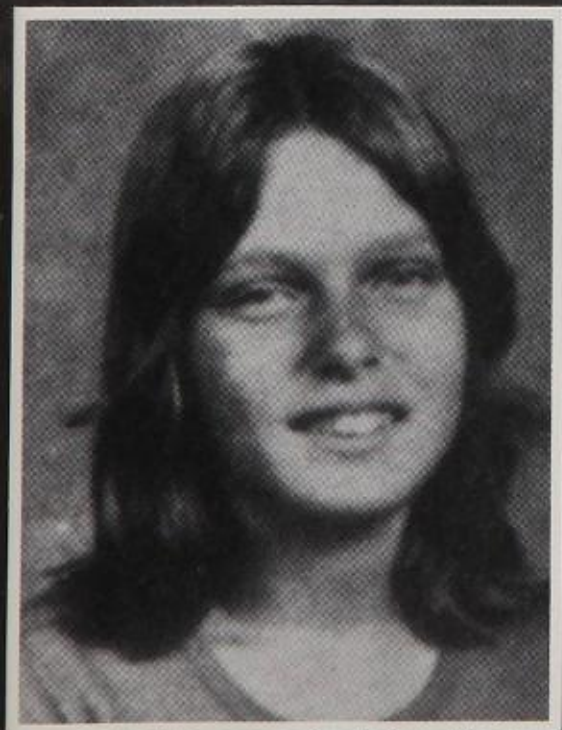

Her love was felt, like a soaring bird.

God may have her if he may-

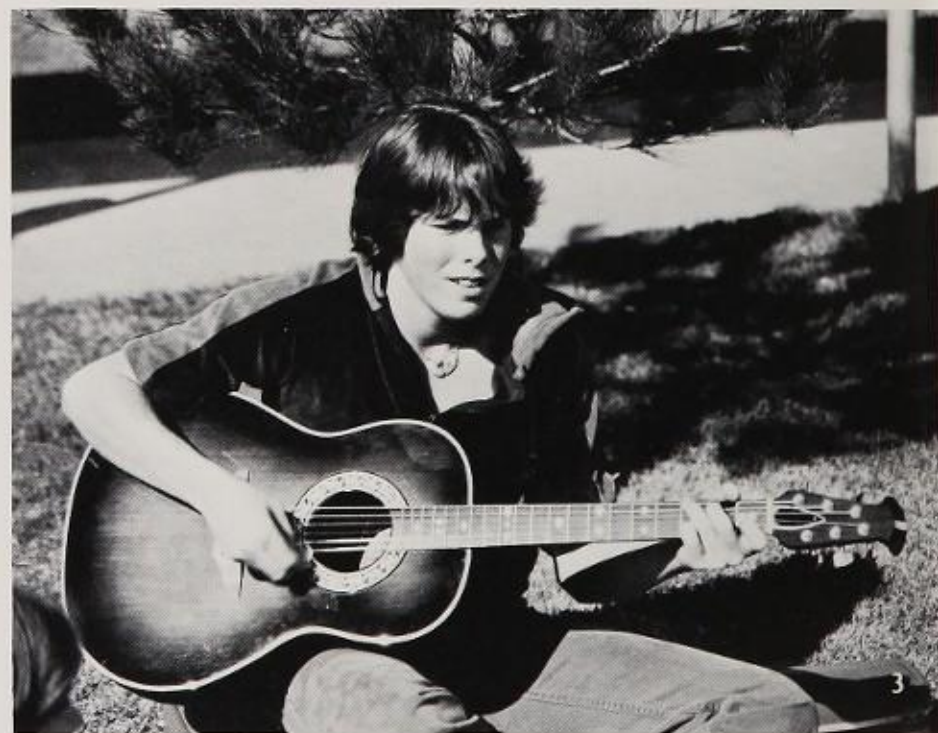

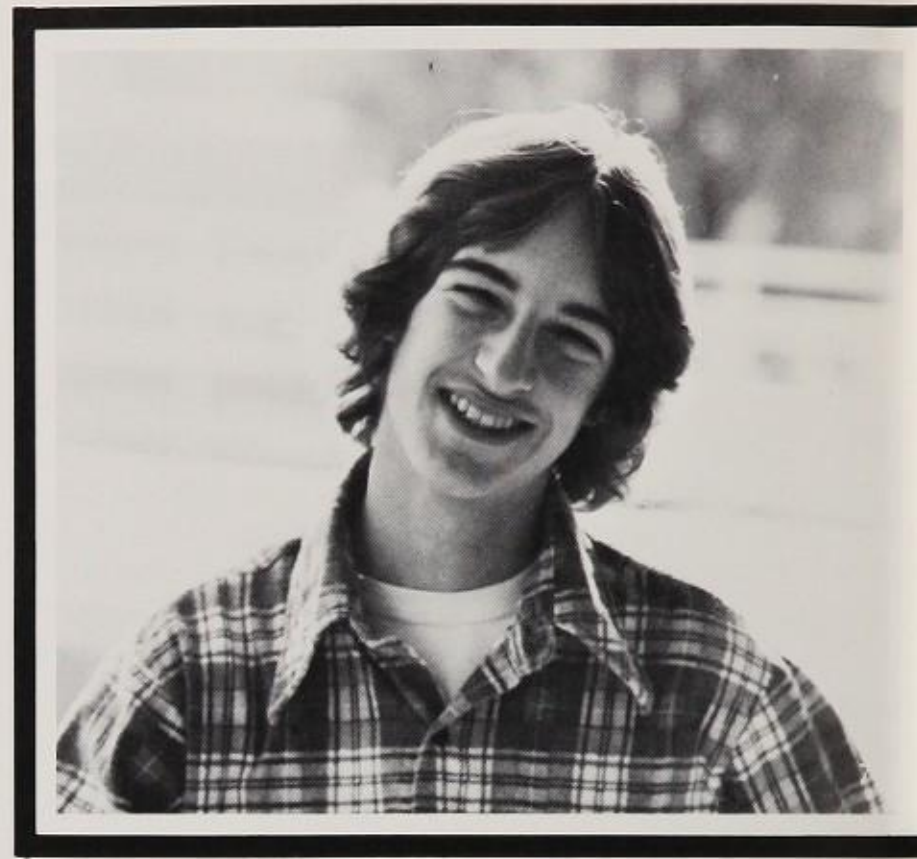

But we will remember Kelly in every way.

OUR KELLY.

STUDENTS

A veteran of 10 years, Matt Hayes is definitely Newbury Park's most valuable swimmer. In all his four years swimming for our school, Matt has never lost a dual meet. In the words of coach Chris Sawyer, whom he has been working with for seven years, "Matt Hayes is absolutely an outstanding swimmer in any swimming event." This is proven through Matt's many records and honors including receiving the title of "All American Swimmer" every year since he was a sophomore. He also traveled all the way to Turkey to compete in the High School championship to take second place in the 100 yard free style.

WE DO IT ALL FOR YOU

Despite a series of mishaps, the 78-79 Pawprint was a success. Due to a rather slow start and a relatively inexperienced staff, it was often difficult to meet deadlines. But, there were always diligent workers drawing layouts, writing copy, and taking photographs, until all hours, so that the pages did get sent in. Under the leadership of advisor Giele Maybee and editors Karin Zerda and Debbie Budach, the staff worked together to do its very utmost to make the Pawprint a personal remembrance to each and every student.

Although the initial Pawprint sales were lower than expected, the staff was not discouraged and continued to work hard and came up with what they consider, "a success". The staff hopes you have relived the California Experience and the 1978-1979 school year at Newbury Park with this Pawprint, created especially for you.

The journalism class, under the direction of advisor Karin Levine, was responsible for the distribution of the school newspaper the Prowler. Led by editor Danny Siegel, the group produced eight issues during the year, all of which were exceptional. According to Siegel, the 1979 Prowler was probably the best in the school's history, for it displayed "great imagination in layout and photographic technique" and contained "high quality and responsible journalism." Siegel felt that the paper's editorial department was particularly outstanding, which he felt separated the Prowler from many other high school publications. The Prowler tackled many controversial issues, and also did a bit of investigative reporting which resulted in news and editorial articles.

"THAT'S
ALL
FOLKS"

FANTASTIC FACES

MY MOST MEMORABLE EXPERIENCE

Mr. Barker... Standing on the summit of Merced Peak, (11,800 ft.) while on an annual 7 to 9 day trip with Lin Thomas and Herb Henderson. You can never take that away from me.

Mr. Barone... Coaching the Basketball team to the Marmonte League Championship in 1977-1978.

Mr. Butner... That Friday night that I didn't stay home and watch my comb soak in lukewarm water.

Mr. Carroll... Making and flying kites when I was a kid. I would use sticks, newspapers, and flour paste. My string came from chicken feed sacks. My interest in chicken feed probably led to my getting into teaching.

Ms. Cort... When I had to turn Robert Redford down for a date for the *third* time!!!

Mr. Cromwell... The two years living in Australia where I met my wife, Nola, followed by three months travelling in South East Africa.

Mr. Crouch... When I was a Senior class advisor and I drove the Senior float, which was covered with glued human hair, and it rained.

Ms. Dahlen... I'm still waiting for it !!!

Sra. Derr... !!Dejenme en paz!!

Ms. Dibble... Was teaching three English classes last year in a wheel chair. It was an experience I will never forget—unfortunately, neither will the English department.

Mr. Dick... Can be summed up in one word...WOW!!!

Ms. Doring... Being a civic-minded person, one day twelve years ago, I volunteered to be a teacher's aide for a science teacher friend. The very first day on the job, I was drafted as a teacher and have been going at it ever since.

Ms. Feller... My first trip to Switzerland and Germany and meeting our relatives in those two countries.

Mr. Firth... Shortly after Dr. Butterbaugh became superintendent, a strange man walked into my classroom, "I'm Wayne Butterbaugh", he said, "and I'm visiting some classes." Boy was I surprised!!

Ms. Gangsei... Standing on Mars Hill in the place near the Acropolis where the Apostle Paul stood to preach his famous sermon...

Ms. Heiken... As I was kicking an ice machine that stole my money, a strange man drove up and offered me an endless supply of ice from his restaurant if I would go with him to buy birthday candles. It sounded ridiculous so I got in the car with him and married him a year later.

Mr. Henderson... The opening of Newbury Park High; it was a small rural community and everyone in the faculty knew each other. (It was fun!)

Mr. Hertz... What a question! There's so many... My daughter's birth, my parent's deaths. Travels to distant lands, camping in forested mountains. Getting tear-gassed for protesting murders. And, of course, falling in love...

Ms. Hokana... The day Dr. K, Mr. De Frates and Nori Parvin interviewed me for my job at N.P.H.S., and I was wearing "green and white"—oops!!!—

Mr. Holmboe... Two experiences stand out. One is my wedding day and the second is the day of the birth of our daughter. I was present in the delivery room when she was born. It was truly an exhilarating experience.

Mr. Intlekofer... Lasted for four years—the time I spent in college, at the University of Notre Dame in South Bend, Indiana.

Mr. James... The day I ran down the station platform to catch a train, grabbed for the last car and missed!!

Dr. Kirschenstein... Surviving the attack at Apache Pass.

Ms. Maybee... Finally putting my "foot down" in the classroom and breaking off the heel of my boot!

Mr. McElmurry... Riding the "Revolution" and "Colossus" at Magic Mountain

Mr. Merrill... In life; when my two sons were born. In coaching; winning the CIF Baseball Championship in 1968 Newbury Park's first year.

Mr. Miller... Mr. Merrill's first CIF baseball championship, my 0-14 basketball team, and three of my Mass Media students now radio broadcasters.

Mr. Moore... Summer vacation!

Mr. Nelson... Riding in the tube of life, I became one with all the cosmic beings of Mathland and then rollercoastered into the internal bliss of the Pythagorean Theorem.

Mr. Nelson... Loaning Gigi Fernandez my pants, hat, gloves, and eventually my Yosemite Institute T-Shirt.

Ms. Norton... The day I was interviewed for my job here by Dr. Kirschenstein, Mr. De Frates, Coach Merrill, Ms. Urpin and Mrs. Washburn—terrifying!

Mr. Pardee... Just being alive and experiencing the sweet fragrance of a rose blossom with my puppy dog.

Ms. Parvin... Being born...as a triplet the first ever born in Japan.

Mr. Peters... Me and my GL1000!

Ms. Reed... Giving birth to my very beautiful, very special son-Corey.

Mr. Reed... Meeting Joe Rodriguez for the first time.

Mr. Rueben... The really great thrill of working with young people who have self-respect and know pleasure of achievement.

Mr. Scarpino... Being with my wife Jan while she gave birth to our beautiful daughter, Carrie. For it was a time of intense work, worry, and love.

Mr. Scott... This past summer losing 30 pounds and now people don't confuse me with Mr. Gilmore and Mr. Hurley.

Ms. Severns... Driving alone through a mountain pass at 3:00 in a blizzard that made it impossible to see more than three feet in front of the car. Try it sometime on a very windy cliff-hanging road!!

Ms. Taylor... Every student in the class made 100% on the test that day. And being in Paris on Bastille Day.

Mr. Thomas... Being struck by lightning—while fishing in the High Sierras.

Mr. R. Thomas... Teaching using positive reinforcement. Principal walks into the room and sits down unnoticed. I yell at one student "SHUT UP!!". I notice the principal at this time. I go to the student and say "I really liked the way you shut up".

Ms. Washburn... Giving birth to a 7lb 15 1/2 oz. girl, Molly Marie Washburn.
